Summary of Benefits and Coverage: What this Plan Covers & What You Pay For Covered Services
ALLINA HEALTH BASIC HEALTH SAVINGS PLAN

Coverage Period: Beginning on or after 01/01/2022
Coverage for: Individual/Family | Plan Type: HDHP

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.
This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.bluecrossmn.com/Allina or call 1-800-509-5310, select option 1. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary or call 1-800-509-5310, select option 1 to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall deductible?	**$2,000** individual / **$4,000** family medical in-network **$2,000** individual / **$4,000** family medical extended in-network **$6,000** individual / **$12,000** family medical out-of-network	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, the overall family deductible must be met before the plan begins to pay.
Are there services covered before you meet your deductible?	Yes. Well child care, prenatal care and in-network preventive care services are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	**$5,000** individual / **$10,000** family medical and drug in-network **$5,000** individual / **$10,000** family medical and drug extended in-network **$12,000** individual	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges (unless balanced billing is prohibited), and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

Will you pay less if you use an in-network provider?	Yes. See https://www.bluecrossmn.com/Allina or call toll-free 1-800-509-5310, select option 1 for a list of in-network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your in-network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
