

ANNUAL CULTURAL COMPETENCY TRAINING

Verification for health care providers

Blue Cross and Blue Shield of Minnesota and Blue Plus (Blue Cross) requires that all contracted provider organizations complete annual cultural competency training. We also need to show whether a provider has completed training in our provider directories as a requirement of our Minnesota Health Care Program contracts with the Minnesota Department of Health.

After your organization has completed Blue Cross and Blue Shield of Minnesota's [cultural competency training](#) or other similar training, please let us know with this form.

Instructions: Please download and complete this form and fax it to **(651) 662-6684** or scan and email it to Provider.Data@bluecrossmn.com.
