## Choice Rx pharmacy network

Medtronic members have access to an enhanced network of pharmacies as a part of their prescription benefit. It's called the Choice Rx network and it's offered in addition to your plan's broad network.

### The Choice Rx pharmacy network includes:

- CVS Pharmacy®
- Walmart Stores (including Sam's Clubs)
- Kroger Stores (all associated brand names)<sup>1</sup>
- Community Pharmacy RX Network (a coalition of independent pharmacies)

You can also have the medications you take regularly (such as asthma, diabetes or high blood pressure medications) delivered to your home, office or anywhere in the U.S. by CVS Caremark Mail Service Pharmacy.

### Be sure to register at [CVScaremark.medtronic.com](https://CVScaremark.medtronic.com), where you can:

- Learn more about your prescription benefit
- Find a Choice Rx pharmacy
- Start home delivery

There's no need to sign up — simply choose the Choice Rx pharmacy location that's convenient for you, or choose home delivery through CVS Caremark Mail Service Pharmacy. While you can continue to get your prescription medications from the broad pharmacy network without penalty for a 30-day supply, the Choice Rx network can provide cost and convenience advantages. Use your prescription member ID card to automatically receive your benefits.

## The benefits of Choice Rx

- Special pricing and copay advantages
- Your choice: pick up 90-day supplies of the medications you take regularly at a retail pharmacy or have them delivered by mail
- \$0 copay on 90-day supplies of certain generic medications<sup>2</sup>

## Home delivery with CVS Caremark Mail Service Pharmacy

CVS Caremark Mail Service Pharmacy delivers up to a 90-day supply of the medications you take regularly,<sup>3</sup> which may save you time and money. For more information about home delivery, call the Customer Care phone number listed on your ID card.
