

WOMEN'S HEALTH AND CANCER RIGHTS

Under Minnesota law you are entitled to the following reconstructive surgery services following a mastectomy: all stages of reconstruction of the breast on which the mastectomy has been performed; surgery and reconstruction of the other breast to produce a symmetrical appearance; and prostheses and treatment for physical complications during all stages of mastectomy, including swelling of the lymph glands (lymphedema). Services are provided in a manner determined in consultation with the physician and patient. Coverage is provided on the same basis as any other illness.
