Directions

Warnings

The screenshot shows the CVS Health Solutions website interface. At the top, it says "OTC Health Solutions" and "Hi, AETNA8WEST Sign Out". Below is a search bar and a "Sort & refine" sidebar with options like "Sort by Relevance", "Sort by Price Low to High", and "Sort by Price High to Low". The main area displays two product cards. The first card is for "Urinary Pain Relief" (UPC: P46) with a price of \$6.00. The second card is for "Lost Filling & Loose Cap" (UPC: O25) with a price of \$4.00. A white overlay box on the right side of the screen contains the following details for the "Urinary Pain Relief" product:

Details

HSA/FSA Eligible

- CVS Health Pharmacist recommended
- Compare to the active ingredient in Azo Standard Maximum Strength

Help get fast relief from urinary pain with CVS Health Maximum Strength Urinary Pain Relief Tablets. These tablets can quickly ease the pain and burning associated with occasionally painful urination. Compare them to the active ingredient in Azo Standard Maximum Strength (This product is not manufactured or distributed by Amerifit Nutrition, Inc, owners of the registered trademark, Azo Standard Maximum Strength). The tablets are individually sealed for your protection and added convenience. Our Urinary Pain Relief Tablets are CVS Health Pharmacist recommended.

This product may stain contact lenses, so use it with care. It may also interfere with laboratory tests including urine, glucose (sugar), and ketones tests. Consult with your doctor before taking this product, especially if you currently have a medical condition or are taking prescription medications. If you are pregnant or nursing, ask your doctor before taking the Pain Relief Tablets.

Ingredients

Active Ingredient (in Each Tablet): Phenazopyridine Hydrochloride (97.5 mg). Inactive Ingredients: Lactose, Magnesium Silicate, Magnesium Stearate, Microcrystalline Cellulose, Pharmaceutical Glaze, and Sodium Starch Glycolate.

Directions

Adults and Children 12 Years of Age and Over: Take 2 tablets 3 times daily with a full glass of water, with or after meals as needed. Children Under 12 Years of Age: consult a doctor. Do not use for more than 2 days (12 tablets) without consulting a doctor. Store at room temperature 59-86 degrees F(15-30 degrees C) in a dry place and protected from light.

Warnings

⚠️ WARNING: This product can expose you to phenazopyridine hydrochloride, which is known to the State of California to cause cancer. For more information go to

Legal disclaimers

The source for data in this presentation is CVS Health Enterprise Analytics unless otherwise noted.

All data sharing complies with applicable law, our information firewall and any applicable contractual limitations.

Adherence and health outcome results, savings projections and performance ratings are based on CVS Caremark data. Actual results may vary depending on benefit plan design, member demographics, programs implemented by the plan and other factors. Client-specific modeling available upon request.

The Maintenance Choice program is available to self-funded employer clients that are subject to ERISA. Non-ERISA plans such as fully insured health plans, plans for city, state or government employees and church plans need CVS Caremark legal approval prior to adopting the Maintenance Choice program. Prices may vary between mail service and CVS Pharmacy due to dispensing factors, such as applicable local or use taxes.

Specialty Expedite is available exclusively for providers who use compatible electronic health record (EHR) systems, including Epic Systems and others that participate in the Carequality Interoperability Framework.

Specialty delivery options are available where allowed by law. In-store pick up is currently not available in Oklahoma. Puerto Rico requires first-fill prescriptions to be transmitted directly to the dispensing specialty pharmacy. Products are dispensed by CVS Specialty and certain services are only accessed by calling CVS Specialty directly. Certain specialty medication may not qualify. Services are also available at Long's Drugs locations.

Patient stories and patient names are presented for illustrative purposes only. Any resemblance to an actual individual is coincidental. Unless otherwise specified, images contained within are licensed or the property of CVS Health or one of its affiliates.

This presentation contains trademarks or registered trademarks of CVS Pharmacy, Inc. or one of its affiliates; it may also contain references to products that are trademarks or registered trademarks of entities not affiliated with CVS Health.

CVS Health policy statement

All CVS Health presentation materials are confidential and proprietary and may not be copied, distributed, captured, printed or transmitted (in any form) without the written consent/authorization of CVS Pharmacy, Inc.
