American Indians can continue or begin to use tribal and Indian Health Services (IHS) clinics. We will not require prior approval or impose any conditions for you to get services at these clinics. For elders age 65 years and older this includes Elderly Waiver (EW) services accessed through the tribe. If a doctor or other provider in a tribal or IHS clinic refers you to a provider in our network, we will not require you to see your primary care provider prior to the referral.

**Enrolling in this health plan does not guarantee you can go to a particular provider on this list. If you want to make sure, call that provider to ask if he or she is still part of this health plan. Also ask if he or she is accepting new patients. This health plan may not cover all your health care costs. Read your Member Handbook carefully to find out what is covered.**

## Introduction

You must get all of your health care from Blue Plus network providers. There are some exceptions. Examples of exceptions are: emergency or urgent care, open access services, and other previously authorized services. If you have questions about the providers you should use, please contact Member Services.

### Accessing specialty providers

Blue Advantage and MinnesotaCare make it easy to go to a specialist when you need to. That's because we feature an open-access provider network. Open access means Blue Plus will not require you to get a referral from your primary care clinic (PCC) when you need to go to a network specialist. If you need to go to a specialist, there are several ways to find one.

You can ask your PCC for help. Or choose any specialist in our large network. For a list of doctors and specialists, go to the provider listings in this book. Please call Blue Plus Member Services for help finding a specialist. You can call a clinic directly to verify that it is still in the network.

You can get additional information on how to access specialty care by calling Blue Plus Member Services at the phone numbers listed on the cover. Or visit [bluecrossmn.com/publicprograms](https://bluecrossmn.com/publicprograms).

### Providers Not Listed in This Directory

The following providers are not listed in this directory, but you can ask for information regarding a specialist by contacting Member Services at: **(651) 662-5545** or toll free at **1-800-711-9862, TTY 711**. These calls are free.

- Transportation vendors
- Interpreter agencies

You can also reference the online provider search tool located at [bluecrossmn.com/publicprograms](https://bluecrossmn.com/publicprograms)

### Home and Community Based Services (HCBS) (Only applies to MSC+)

Home & Community Based Service Providers are not listed in this directory. Blue Plus uses the DHS Open Network for these providers. Visit <https://mhcpproviderdirectory.dhs.state.mn.us/>  
Note: The DHS Open Network directory may not have all home and community-based providers listed. Visit [MinnesotaHelp.info](https://MinnesotaHelp.info) for more home and community-based services and waiver providers. Home and community-based services are provided through your local county network of providers. Your care coordinator will help arrange these services for you. ## Important Information

### Care Coordination

If you're an MSC+ member, you will be assigned a person who will know you and understand your needs, and who will also work with your doctors, care providers, and other support people to make sure everything runs smoothly, and you get the help you need. You can get more information on care coordination services toll free at **1-800-711-9862, TTY 711**. These calls are free.

### Clinics

Blue Plus encourages you to choose a primary care provider (PCP)/primary care clinic (PCC) or care system. Your primary care clinic can provide most of the health care services you need, and will help coordinate your care. Please confirm with Member Services that your clinic is still a provider with our health plan. You can go to any primary care clinic that's listed in this directory or our online provider search at **[bluecrossmn.com/publicprograms](http://bluecrossmn.com/publicprograms)**.

### Cost Sharing

You may be required to pay an amount toward some health care services. This is called cost sharing. Some examples of cost sharing are copays or deductibles for certain services. You are responsible to pay your cost sharing amount directly to your pharmacy or health care provider. You can get a Member Handbook with more information about cost sharing.

### Interpreter Services

American Sign Language (ASL) and language interpreter services are available to help you get services. Oral interpretation can be given to you in your language. You may be able to get written information in your language. Call Member Services toll free at **1-800-711-9862, TTY 711** to get interpreter services. These calls are free.

### Long Term Services and Supports (LTSS)

You may be able to get long-term services and supports (LTSS), such as services provided by the Elderly Waiver (EW) program as a Blue Plus member. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. LTSS are intended to help you live in the community and are typically provided at your home by Home and Community Based Services providers.

You must have a long-term care consultation (LTCC) done and be found to be eligible to get additional services or support. You can ask to have this assessment in your home, apartment, or facility where you live.

Your care coordinator will meet with you and your family to talk about your care needs if you call to ask for a visit.

Your care coordinator will give you information about community services, help you find services to stay in your home or community, and help you find services to move out of a nursing home or other facility.

If you need transition planning and coordination services to help you move to the community, you may be eligible to get Moving Home Minnesota (MHM) program services. MHM services are separate from Elderly Waiver (EW) services, but you must be eligible for EW.

To find out more about these services, refer to your Member Handbook. Call Member Services to get more information on how to access these services.
