# AWARE<sup>®</sup> NETWORK

Open access to quality care

Your best choice for easy access to the largest selection of healthcare providers across Minnesota.

With 98 percent of doctors and 100 percent of hospitals in Minnesota, this broad, open-access network makes it easy to get the care you need. Small group plans are paired with BlueAccess<sup>SM</sup> products.

## TRAVEL WITH CONFIDENCE

When you travel outside the state, you have access to 1.7 million providers spanning every U.S. ZIP code through the national BlueCard<sup>®</sup> PPO network.\* In addition, Blue Cross Blue Shield Global<sup>®</sup> Core gives you access to care in 190 countries and territories worldwide.

\*The Aware Network includes providers one county into the neighboring states of Iowa, South Dakota, North Dakota and Wisconsin. When seeking care in these counties, search for providers using Aware Network (not BlueCard PPO).

Each healthcare provider is an independent contractor and not our agent. It is up to the member to confirm provider participation in their network prior to receiving services. Each Blue Cross and/or Blue Shield plan is an independent licensee of the Blue Cross and Blue Shield Association. Blue Cross Blue Shield Global Core is a registered mark of the Blue Cross and Blue Shield Association, an association of independent Blue Cross and/or Blue Shield plans.
