# HIGH VALUE NETWORK

Statewide access to quality care

Your best choice for quality care at an affordable price with a broad selection of healthcare providers. The High Value Network includes leading doctors, clinics and hospitals across Minnesota.

## TRAVEL WITH CONFIDENCE

When you travel outside the state, you have access to 1.7 million providers spanning every U.S. ZIP code through the national BlueCard<sup>®</sup> PPO network.\* In addition, Blue Cross Blue Shield Global<sup>®</sup> Core gives you access to care in 190 countries and territories worldwide.

\*The High Value Network includes providers one county into the neighboring states of Iowa, South Dakota, North Dakota and Wisconsin. When seeking care in these counties, search for providers using High Value Network (not BlueCard PPO).

Employees must live within the state of Minnesota to enroll.

Each healthcare provider is an independent contractor and not our agent. It is up to the member to confirm provider participation in their network prior to receiving services. Each Blue Cross and/or Blue Shield plan is an independent licensee of the Blue Cross and Blue Shield Association. Blue Cross Blue Shield Global Core is a registered mark of the Blue Cross and Blue Shield Association, an association of independent Blue Cross and/or Blue Shield plans.
