## D. Background Information about SecureBlue's Network Pharmacies

This Directory lists the pharmacies that you may use to get your prescription drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** SecureBlue and have agreed to provide prescription drugs to you as a member of the plan.

SecureBlue members must use network pharmacies to get prescription drugs except in emergency or urgent care situation.

- If you use an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service.
- Read the SecureBlue *Member Handbook* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about SecureBlue network pharmacies in your area, please visit our website at [bluecrossmn.com/secureblue](http://bluecrossmn.com/secureblue) or call Member Services at 1-888-740-6013, TTY 711, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Member Handbook* and SecureBlue's *List of Covered Drugs*. You can find the *List of Covered Drugs* on our website at [bluecrossmn.com/secureblue](http://bluecrossmn.com/secureblue) or you may contact Member Services at the number on the bottom of this page.

### D1. Types of pharmacies in <plan name>'s network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Retail and chain pharmacies
- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.

**If you have questions**, please call SecureBlue Member Services at 1-888-740-6013, TTY 711, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit [bluecrossmn.com/secureblue](http://bluecrossmn.com/secureblue).

- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies

You are not required to continue using the same pharmacy to fill your prescriptions.

## **D2. Long-term supplies of prescriptions**

- **Mail-Order Programs.** We offer a mail-order program that allows you to get up to a 90-day supply of your prescription drugs sent directly to your home. A 90-day supply has the same copay as a 31-day supply. For certain kinds of drugs, you can use the plan's network mail-order services. Generally, the drugs provided through mail order are drugs that you take on a regular basis, for chronic or long-term medical conditions.
- **90-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 90-day supply of covered prescription drugs. A 90-day supply has the same copay as a 31-day supply.

**If you have questions**, please call SecureBlue Member Services at 1-888-740-6013, TTY 711, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit [bluecrossmn.com/secureblue](http://bluecrossmn.com/secureblue).

---

## E. SecureBlue's List of Network Pharmacies

This part of the Directory includes a list of SecureBlue's network pharmacies that **participate in and accept** SecureBlue. Providers are listed by county. To find a provider in your area, look for your county or one near you and then choose a provider.

All network pharmacies are available to SecureBlue plan members.

**If you have questions**, please call SecureBlue Member Services at 1-888-740-6013, TTY 711, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit [bluecrossmn.com/secureblue](http://bluecrossmn.com/secureblue).

## E2. Mail-order pharmacies

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, please contact us 10 to 20 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to get your prescription drugs within 5-8 business days from the time that the mail order pharmacy gets the order.

If you do not get your prescription drug(s) within this time, please contact the numbers below (TTY users: 711) 24 hours a day, seven days a week, or visit the pharmacy website.

To learn more about mail order pharmacies, refer to chapter 5 of the Member Handbook.
