**LET'S COMPARE COSTS AND COVERAGE**

Blue Cross Medicare Advantage (PPO) plans offer three levels of coverage and cost sharing. Each plan pays a different amount toward medical coverage and prescription drugs. The right plan depends on how often you visit the doctor or pharmacy and how much you want to pay monthly versus paying when you get care.

**Choose from three levels of coverage:**

<b>CORE</b>	<p>Good option if you don't go to the doctor or pharmacy very often</p> <ul style="list-style-type: none"> <li>• <b>Lower</b> monthly premium</li> <li>• <b>Higher</b> costs when you get care</li> <li>• <b>Preventive dental</b> coverage</li> </ul>
<b>CHOICE</b>	<p>Good option if you aren't sure how often you'll go to the doctor or pharmacy</p> <ul style="list-style-type: none"> <li>• <b>Moderate</b> monthly premium and costs when you get care</li> <li>• <b>Preventive and comprehensive dental</b> coverage</li> </ul>
<b>COMPLETE</b>	<p>Good option if you need more coverage and go to the doctor or pharmacy often</p> <ul style="list-style-type: none"> <li>• <b>Higher</b> monthly premium</li> <li>• <b>Lower</b> costs when you get care</li> <li>• <b>Preventive and comprehensive dental</b> coverage</li> </ul>

**FOR VETERANS**

# Important plan information

## Eligibility and enrollment

You are eligible to enroll in a Blue Cross Medicare Advantage plan if you have Medicare Part A and Medicare Part B and live in the plan's service area.

You can be a member of only one Medicare Advantage plan at a time. By enrolling in a Medicare Advantage plan, you will automatically be disenrolled from any other Medicare Advantage or Medicare Cost plan of which you are a member.

## Provider network

Blue Cross has formed a contracted network of doctors, specialists, hospitals and other providers for Medicare Advantage. You can use any provider who is part of this network. The healthcare providers in the network may change at any time. You may search for providers on our website, request a provider directory or contact us to see if your providers are in the network. Each provider is an independent contractor and is not our agent.

Beginning with your effective date, to receive the highest level of benefits while in the service area, you must get all of your healthcare from network providers, with the exception of emergency and urgently needed services, or you may pay more. If you go to a provider outside of the Medicare Advantage network (in the plan's service area), you will pay a higher level of cost sharing. You will receive in-network benefits for eligible services received outside the service area within the United States for up to twelve (12) months each year. In addition to being covered in the United States, emergency services are covered worldwide.

In some cases, you may need authorization from Blue Cross before you receive care. Visit [bluecrossmn.com/Authorization](https://bluecrossmn.com/Authorization) to learn more.

## Prescription drugs, formulary, pharmacy network, mail order service

If you enroll in Medicare Advantage with Part D coverage, you must receive your Medicare prescription drug coverage through this plan. Drug coverage benefits are subject to limitations.

## Federal contract

Blue Cross Medicare Advantage is a PPO plan with a Medicare contract. Enrollment in Blue Cross Medicare Advantage depends on contract renewal.

## Star ratings

Every year, Medicare evaluates plans based on a 5-star rating system. Medicare rates how well plans perform in such areas as detecting and preventing illness, and customer service. The ratings are online at [medicare.gov](https://medicare.gov), or see the enrollment packet, visit our website or call us to get a copy.

# Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service representative toll free at **1-855-579-7658 (TTY 711)**.

## Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [bluecrossmn.com/medicare-documents](https://bluecrossmn.com/medicare-documents) to view or call toll free at **1-855-579-7658 (TTY 711)** to request a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

## Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/coinsurance may change on January 1, 2025.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
- Effect on Current Coverage: If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.

# Frequently asked questions

This booklet gives you a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the *Evidence of Coverage*.

## WHO CAN ENROLL?

You can enroll in Medicare Advantage (PPO) if you are enrolled in Medicare Part A and Medicare Part B and live in the plan availability area, which includes the following counties: Blue Earth, Dodge, Faribault, Fillmore, Freeborn, Houston, Martin, Mower, Nicollet, Olmsted, Steele, Wabasha, Waseca, Watonwan and Winona. Counties are subject to change annually.

## WHAT IS MEDICARE ADVANTAGE?

Medicare Advantage plans are private Medicare health plans. They have a yearly limit on your out-of-pocket costs, and once you reach this limit, you'll pay nothing for covered services. Some Medicare Advantage plans combine medical and prescription drug coverage.

To see a complete list of your services and benefits, please review the *Evidence of Coverage* (EOC). You can find this document at [bluecrossmn.com/medicare-documents](http://bluecrossmn.com/medicare-documents). You also may order a copy online or by calling Customer Service.

## HOW DO I FIND AN IN-NETWORK DOCTOR OR HOSPITAL?

The Medicare Advantage provider network offers a large list of providers covered under the Medicare Advantage plan. You may pay less when you use doctors, hospitals and other providers in this network. You can see or order the plan's provider directory at [bluecrossmn.com/medicare-documents](http://bluecrossmn.com/medicare-documents). Or call us and we will send you a copy of the directory.

## HOW CAN I FIND A LIST OF COVERED DRUGS?

Medicare Advantage is a combined medical and prescription drug plan. You can see the complete *Formulary* (list of Part D prescription drugs) and any restrictions at [bluecrossmn.com/core-rx](http://bluecrossmn.com/core-rx) or [bluecrossmn.com/choice-complete-rx](http://bluecrossmn.com/choice-complete-rx). You can order a copy of the *Formulary* at [bluecrossmn.com/members/shop-plans/](http://bluecrossmn.com/members/shop-plans/)

[medicare-plans/medicare-materials](#) or call us and we will send you a copy of the *Formulary*.

## HOW MUCH WILL I NEED TO PAY FOR PRESCRIPTION DRUGS?

The amount you pay depends on what tier the drug is in and what benefit stage you have reached. Your costs for each drug tier and benefit stage are shown in the benefit chart later in this summary.

When using in-network pharmacies you will typically see lower prices than using out-of-network pharmacies for covered Part D drugs.

You can also save costs when you choose 90-day supplies from certain pharmacies and mail-order pharmacies.

You can find the most updated list of pharmacies in your area at [bluecrossmn.com/core-pharm](http://bluecrossmn.com/core-pharm) or [bluecrossmn.com/choice-complete-pharm](http://bluecrossmn.com/choice-complete-pharm). You also may order a copy online at [bluecrossmn.com/medicare-documents](http://bluecrossmn.com/medicare-documents) or call us and we will send you a copy of the pharmacy directory.

## WHAT ARE THE DRUG BENEFIT STAGES?

As you spend up to certain dollar amounts on your covered prescription drugs, you will move into different benefit stages.

**Stage 1: Meet your deductible** This is the amount you must pay each year for prescriptions before the plan will begin to pay its share of your covered drugs.

**Stage 2: Initial coverage** Once you've met your deductible, you'll pay a copay or coinsurance until the amount spent by you and your plan on your covered drugs reaches the initial coverage limit set by Medicare for that year.

**Stage 3: Coverage gap** Sometimes known as a "donut hole," it offers a limit on what your plan will cover for drugs.

**Stage 4: Catastrophic coverage** Once you enter the catastrophic coverage stage, you will not have any cost share for the rest of the year.

# Health care terms

**Allowed amount** – The contracted rate, or Blue Cross discount, set by your plan and providers when you use in-network hospitals, clinics or pharmacies. Providers are required to accept the allowed amount as payment in full, and cannot charge above it when you see an in-network provider.

**Annual physical exam** – A yearly preventive visit with your primary care doctor that includes a discussion about your health, a review of your medical history, screenings, immunizations and some lab work.

**Balance Billing** – When a provider (such as a doctor or hospital) bills a patient more than the plan's allowed cost sharing amount. As a member of Medicare Advantage, you only have to pay our plan's cost sharing amounts when you get services covered by our plan. We do not allow providers to balance bill or otherwise charge you more than the amount of cost sharing your plan says you must pay.

**Copayment or Copay** – The set dollar amount you pay each time you receive a service or prescription.

**Coinsurance** – A set percentage you pay toward health care after your deductible has been met.

**Deductible** – Amount you will pay in one plan year before coverage begins.

**In-network** – The hospitals, clinics, providers and pharmacies that are included in your plan. Typically, using in-network providers results in lower member costs.

**Maximum out-of-pocket amount** – The most you could pay in one plan year for covered medical services and supplies.

**Medicare annual wellness visit** – An annual visit with your doctor after you've been enrolled in Medicare Part B for at least 12 months. This visit includes a review of your medical history, screenings and personalized health advice, and a checklist of appropriate preventive services.

**Premium** – Your monthly payment for a plan.

**Prior authorization** – Approval in advance to receive certain services or certain drugs.

**Total charge** – The amount the provider or pharmacy charges for services before a Blue Cross discount (allowed amount) is applied.

# Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service representative toll free at **1-855-579-7658 (TTY 711)**.

## Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [bluecrossmn.com/medicare-documents](https://bluecrossmn.com/medicare-documents) to view or call toll free at **1-855-579-7658 (TTY 711)** to request a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

## Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/coinsurance may change on January 1, 2025.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
- Effect on Current Coverage: If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.

# Frequently asked questions

This booklet gives you a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the *Evidence of Coverage*.

## WHO CAN ENROLL?

## WHAT IS MEDICARE ADVANTAGE?

Medicare Advantage plans are private Medicare health plans. They have a yearly limit on your out-of-pocket costs, and once you reach this limit, you'll pay nothing for covered services. Some Medicare Advantage plans combine medical and prescription drug coverage.

To see a complete list of your services and benefits, please review the *Evidence of Coverage* (EOC). You can find this document at [bluecrossmn.com/medicare-documents](https://www.bluecrossmn.com/medicare-documents). You also may order a copy online or by calling Customer Service.

## HOW DO I FIND AN IN-NETWORK DOCTOR OR HOSPITAL?

The Medicare Advantage provider network offers a large list of providers covered under the Medicare Advantage plan. You may pay less when you use doctors, hospitals and other providers in this network. You can see or order the plan's provider directory at [bluecrossmn.com/medicare-documents](https://www.bluecrossmn.com/medicare-documents). Or call us and we will send you a copy of the directory.

# Health care terms

**Allowed amount** – The contracted rate, or Blue Cross discount, set by your plan and providers when you use in-network hospitals, clinics or pharmacies. Providers are required to accept the allowed amount as payment in full, and cannot charge above it when you see an in-network provider.

**Annual physical exam** – A yearly preventive visit with your primary care doctor that includes a discussion about your health, a review of your medical history, screenings, immunizations and some lab work.

**Balance Billing** – When a provider (such as a doctor or hospital) bills a patient more than the plan's allowed cost sharing amount. As a member of Freedom Blue, you only have to pay our plan's cost sharing amounts when you get services covered by our plan. We do not allow providers to balance bill or otherwise charge you more than the amount of cost sharing your plan says you must pay.

**Copayment or Copay** – The set dollar amount you pay each time you receive a service or prescription.

**Coinsurance** – A set percentage you pay toward health care after your deductible has been met.

**Deductible** – Amount you will pay in one plan year before coverage begins.

**In-network** – The hospitals, clinics, providers and pharmacies that are included in your plan. Typically, using in-network providers results in lower member costs.

**Maximum out-of-pocket amount** – The most you could pay in one plan year for covered medical services and supplies.

**Medicare annual wellness visit** – An annual visit with your doctor after you've been enrolled in Medicare Part B for at least 12 months. This visit includes a review of your medical history, screenings and personalized health advice, and a checklist of appropriate preventive services.

**Out-of-pocket costs** – The amount you must pay for eligible health care. It includes copays, coinsurance and deductibles, plus any costs for care that is not covered. It does not include your monthly premiums.

**Out-of-network** – The hospitals, clinics and pharmacies that are not included in your plan. Typically, using out-of-network providers results in higher member costs.

**Premium** – Your monthly payment for a plan.

**Prior authorization** – Approval in advance to receive certain services or certain drugs.

**Total charge** – The amount the provider or pharmacy charges for services before a Blue Cross discount (allowed amount) is applied.

**Welcome to Medicare visit** – A one-time preventive visit within the first 12 months of your new Medicare Part B plan. This visit includes a review of your medical history, screenings, vaccinations and a discussion of preventive services available to you that you may need.
