We may ask whether your request for a hard copy is a one-time request or if you are requesting to receive the provider directory in hard copy permanently. If you request it, your request for hard copies of the provider directory remains until you leave the plan or request that hard copies be discontinued.

Introduction

This directory provides a list of Blue Cross Medicare Advantage's network providers.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. While you don't need to get a referral when you receive care from in-network or out-of-network providers, prior authorization may be required for some services. For details on covered services that need prior authorization, please see your Evidence of Coverage. If you receive these services without prior authorization, you may be responsible for the costs. If you have any questions about whether we will pay for any medical service or care that you are considering, you have the right to ask us whether we will cover it before you get the service or care.

Out-of-network providers are under no obligation to treat Blue Cross Medicare Advantage enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service department at **1-800-711-9865**, daily, 8:00 a.m. to 8:00 p.m. Central Time. TTY users should call **711**. You may also refer to your Evidence of Coverage for more information, including the cost sharing that applies to out-of-network services.

In cases where out-of-network providers submit a bill directly to the enrollee, the enrollee should **not** pay the bill but should submit it to the plan for processing and determination of enrollee liability, if any. Enrollees may obtain emergency services from the closest available provider, and they may obtain urgently needed services from any qualified provider when out of the plan's service area or when network providers are not available. However, if you use an out-of-network provider, your share of the costs for your covered services may be higher.

The Blue Cross Medicare Advantage plan offers as a supplemental benefit a visitor/traveler program for the United States and its territories (outside the state of Minnesota and contiguous counties), which will allow you to obtain eligible covered services at an in-network cost share when traveling for up to 12 continuous months. Prior notification is required. Please contact Customer Service for more information.

We feature a large network of health care providers. Each provider is an independent contractor and is not our agent.

What is the service area for Blue Cross Medicare Advantage?
