## #2 Online:

If it is your first time placing an order online, you will need to create an account. If a member shares an email address with a spouse or caregiver who also has an OTC account, they will only be able to make one account.

### How to place an order online:

- Search for the OTCHS SecureBlue website: <https://www.cvs.com/benefits>.
- After you sign in, your benefit amount and balance will show. Select the benefit you would like to shop for.
- Search through the available items and add to your basket. Your total and balance will be shown. Once you are ready to place your order, select “Checkout”.
- Confirm the shipping information and then select “Place Order”.
- You will be directed to the Order Summary. This page will show you the order number, shipping address, the date the order was processed, and the delivery timeframe.

You will receive emails with the latest status updates as your order is processing.

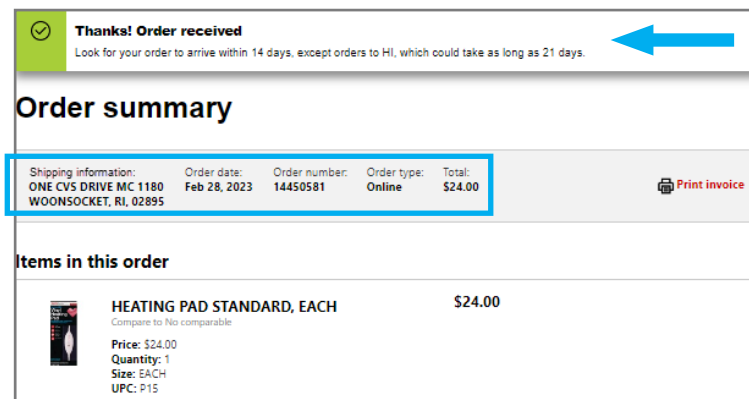

Sign in to your account.

Browse through the items and add to your basket.

Confirm shipping information and place your order.

The Order Summary page will appear. This will allow you to see the order number, shipping address, date of the order, and delivery timeframe.

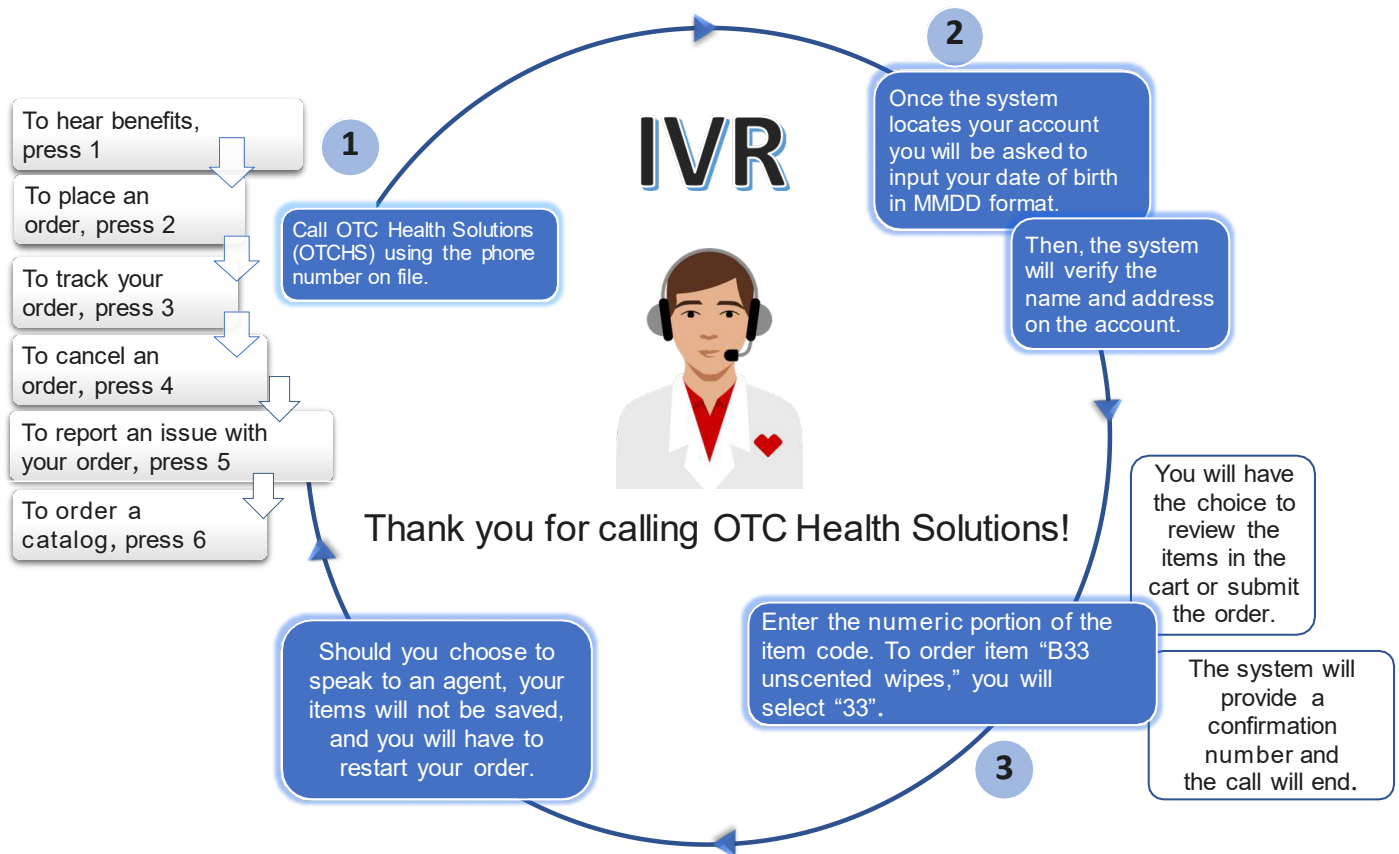

**IMPORTANT:** Orders for each benefit period must be placed by 10:59 PM CT of the last day of the benefit period. Orders can only be cancelled within 30 minutes after being processed. Please review the order frequency limits located in the FAQs to avoid missing benefit amounts.

### #3 By Phone:

Orders can be placed by calling **1-888-628-2770 (TTY: 711)**. You can talk to an agent Monday to Friday, from 8 AM to 7 PM CT. Please have your order ready before you call.

#### How to place an order by phone (IVR system):

- Call OTCHS using the phone number on file. The phone number on file is provided to OTCHS by your health plan. If you wish to use a different number to order through the IVR system, you can provide the alternative number to an OTCHS agent so it can be added to your account.
- Please enter the number of the item code.  
**Example:** If you want to order item “B33” you will enter “33” and wait for the system to repeat the item. The system will read back the item name, quantity, and ask if the selection is correct. Please let the system finish the prompt before you make your selection.
- Once the order is complete, you will have the choice to review and edit the items in the cart, submit the order, or speak to an agent. Should you choose to speak to an agent, your items will not be saved and you will have to restart your order.

**RETURN POLICY:** Due to the personal nature of the products, no returns or exchanges are allowed. If you haven't received your order or if you received a defective or damaged item, please call OTC Health Solutions within 30 days of placing your order.

- If your item is not in stock, an item of similar or greater value may be substituted in your order.
