

BCBSMN Medicaid 90 Day Drug List

Effective January 1, 2024

Blue Plus offers a list of covered generic drugs that can be filled up to a 90-day supply at a network pharmacy. The drugs are grouped into broad classes. Drugs with more than one use may appear in only one broad class; this will help make the list easier to use. Please note that some strengths and/or formulations may not be covered. Brand drugs, controlled substances and specialty medicines are not on the Blue Plus 90-day supply list. This list will be reviewed periodically and is subject to change.
